Rules and Restrictions for Use of the G-TEC Logo

The following rules and restrictions have been established to ensure a uniform presentation of the G-TEC brand logo and to protect the Trademark against misuse or infringement by other parties. Variations from these rules are permitted only with prior and specific approval from the company authority.

- Do not reproduce the logo without the appropriate trademark TM.
- Do not separate the Logotype Element from the Total design.
- Do not use any portion of the logo as a design element without prior and specific approval from the company authority.
- Do not alter the aspect ratio (height:width) of the logo to make it taller shorter, wider, or narrower than it appears in its normal ratio.
- Do not alter the order of the elements (i.e., place the Radiance before, above or below the Logotype).
- The logo must be printed in three corporate colors.
